**Online donations for those affected by Hurricane Matthew**

Earlier this month Hurricane Matthew devastated significant parts of the Southeast coast of the United States countries in the Caribbean. With appreciation, we have watched the relief efforts of many agencies, especially Catholic Charities and Catholic Relief Services. Funds from this special collection will be used to support the efforts of Catholic Relief Services and Catholic Charities USA as they reach out to provide humanitarian aid after widespread destruction, as well as for the pastoral and reconstruction needs of the Church in the Caribbean and the US.

Those who wish may make an online contribution to the relief efforts by visiting crs.org or CatholicCharitiesUSA.org.

**Fostering the Faith Growth of Youth through Pastoral Care**

Join us on November 12 & 13 for a weekend course that explores the principles and methods of caring for young people from various cultures and for their families. The Fostering the Faith Growth of Youth through Pastoral Care course develops an understanding of the breadth and depth of pastoral care, of family systems and adolescent "development, and of the role that cultural identity plays in the development of adolescents. The goal is two-fold: (a) to promote healthy adolescent development from a pastoral care perspective, and (b) to develop preventative interventions for families with adolescents.
